Mitchell's death, we were all saddened to learn the man responsible for such wonderful stories as "Mandy" was no longer with us. He was a great storyteller,

the best of which I know, yet he remains unmentioned by all but his peers. All the original books published by Arco themselves are worth a read. I recommend his "Brer Rabbit" tales the most but I feel some of his best and most hard to find stories have been lost to time. His "The Ghost Cat", published by Numa in 1948 is a perfect example. I will be reading all the tales Mitchell authored myself and if you want to join me, please do not hesitate to contact me. There will be a lot of rare stories coming from the likes of "Brer Rabbit" and "Foxy Grandpa" along with other stuff of course.]]> 4 Apr 2009 11:11:00-0400 Mill – The Death of a Gavar The year was 1986, and everybody was talking about the 09e8f5149f

Magic 8-Ball is an app that allows you to find out the answer to any question quickly. Simply use the sphere to find out the answer without even having to think too much about the question. What's more, the truth can be changed at any time. Want to change your answer to "Yes"? No problem. In addition, as opposed to other apps, you don't have to think about where the sphere is located. Just specify the frame and your question and click to have the sphere show the answer. Theoretically, you can also customize the appearance of the sphere. Of course, this is very simple to do. Simply choose among five colors and then set the opacity of the sphere. When a question is asked, the sphere will always be on top of your current application, meaning you will always have the answer at your fingertips.
